

1969 Yamaha L5 Motorcycle

FOR SALE

\$1700.00

Kendra Bentle 404.217.0233 // kendra.bentle@gmail.com

So, I bought this fantastic vintage motorcycle a few years back, then found that I am, A: not really a motorcycle chick, as much as I'd like to be, and B: have enough other vintage item responsibilities (100 year old house...vintage car, etc.), that need my attention. So, I'm selling my baby.

Details:

- 100cc engine
- Oil pump (no need to mix oil/gas)
- Electronic (key) and kick ignition
- 4420 miles on odometer (!!!)
- Brand new tires
- Kept covered – beautiful red paint, hoses and wires in good condition, seat and other leather/rubber nearly perfect.

When I bought, this was in near mint condition. I've ridden it only a handful of times since. The last time I cranked this bike, it ran like a champ, and I've never had any problems with it. I have not started this bike for a while, but as far as I know, it has no mechanical problems. Sold as-is: in great condition for being 40 years old.

One issue: last year during the tomado that hit my neighborhood (Cabbagetown), the bike fell over, and the right break handle was broken (see picture). I'm not a welder, but it seems that this could be repaired, or replaced fairly easily.

Comes with: Vinyl cover AND (if you want it) a portable aluminum loading ramp for putting your new bike on your truck to haul it home.

Please contact me at the phone/email above with questions or to see the bike!
